We also offer the merit to teachers in all lineages no longer extant, and to all teachers who died without dharma heirs.

We pray that we may be able to show our gratitude to all women of the dharma in all directions and in the three worlds. May we live our lives in such a way that we honor all those beings, women and men, known and unknown, who gave their lives to the dharma for our present benefit. May the merit of this awaken the heart of compassion and understanding all over the world, and thereby relieve suffering and ignorance. We pray that all beings may prosper and all misfortune cease.
